

## REACH CONFORMITY DECLARATION

Mors Smitt France declares that products produced and/or sold by Mors Smitt are in conformity with relevant directives, standards or other normative documents, following the provisions of:

EC regulation N° 1907/2006 (Registration, Evaluation, Authorization and restriction of Chemicals, "REACH")

According to the provisions of REACH, Mors Smitt France, as a manufacturer and importer of products, is to be regarded as a "downstream user".

In this respect, Mors Smitt France has contacted its suppliers affected by REACH asking them to comply. Contract, the supplier must inform Mors Smitt France at any time in case of presence of substance in the candidate list.

Chemical substances contained in our products, which may possible be subject to registration, have to be registered exclusively by our suppliers.

Products produced and sold by Mors Smitt are regarded as Articles, not Substances, under REACH.

Products produced and sold by Mors Smitt contain <0.1% w/w Substances of Very High Concern.

Based on the above, Mors Smitt has not identified a registration requirement for any substance in articles we have been producing or importing and is not required to take any further actions under the REACH-Directive.
